

WINNER® 38 BC

The 24V battery and built-in charger of the BC version make the new scrubber drier 38 Winner of Ghibli even more versatile and manoeuvrable. With a cleaning width of 385 mm and two big tanks 16/22 litres, good positioned intuitive controls, adjustable handle, large cap for inspection and cleaning of the recovery tank with built-in floating, easily accessible vacuum turbine.

Floating brush head is centrally positioned for an easy use next to the walls and obstacles, replaceable with a click, just like the suction bar, in thermoplastic material free from rust. Ergonomic, lightweight and easy to carry thanks to the big wheels (200 mm.). Operating working time min. 1 h.
