

The BISSELL Commercial DC100 Carpet & Upholstery Washer achieves a whole new level of clean with its powerful motors and extra large brush roll to pull out deep down dirt. It's made of durable, high quality materials and features robust workmanship from top to bottom. The large-capacity clean and dirty-water tanks mean you get our best deep clean with fewer trips to the sink. Remove deep-down dirt from carpet with rotating DirtLifter™ PowerBrush that clean in both the forward and backwards pass and stay comfortable while cleaning, thanks to the ergonomically designed, adjustable tank handle. Get professional-grade carpet cleaning with the BISSELL Commercial DC100 carpet cleaner.

Professional cleaning results on carpets & upholstery
