

## Professional way to make upholstery and high traffic areas look like new again

BISSELL Commercial SC100 portable carpet & upholstery washer is designed to professionally clean upholstery and high traffic areas, removing even stubborn spots & stains and embedded dirt. This is possible thanks to powerful, commercially graded 750W motor that provides superior suction, BISSELL professional cleaning solution, and special brushes and cleaning tools for scrubbing action. Two separate large tanks for clean and dirty water allow for quick fill and easy empty. BISSELL Commercial SC100 portable carpet & upholstery washer is made of commercial grade materials for heavy usage. Long hose and extra long commercial power cord gives large operational radius for more flexibility and reach.
