

BISSELL CrossWave® Commercial 3-in-1 multi-surface floor cleaner simultaneously vacuums, mops and dries floors in one easy step. It is designed to clean hard floors such as sealed hardwoods, tiles and laminates. It can also refresh area rugs. Digital touch controls allow to easily adjust cleaning to different floors types. The on-demand trigger allows to control the amount of water released on the unique extra large brush roll. Easy to remove dual tank technology keeps the clean and dirty water separate. BISSELL proprietary cleaning solution helps remove grease and stains and leave the subtle scent of freshness. And with an automatic self-cleaning function the brush roll and nozzle are easy to clean for the next use. BISSELL CrossWave® Commercial is made of durable, high quality materials and features robust workmanship from top to bottom.

CUT YOUR CLEANING TIME IN HALF*
